Types of project:

Types of project:

Recent success: Brixton Solar Energy (1)

‘Create co-operatively owned renewable energy projects whose revenues stay within the local community’

Newly in: Village Infrastructure

Solar lighting is far brighter, cheaper, cleaner and better for the health than kerosene lighting.

.....and Village Infrastructure plan to make it cheaper too

Who actually does it?

Oh, and Neil.....

Hints and Tips

- Teamwork
- Don't re-invent the wheel
- Google it!
- Take it seriously but have fun
- Leapfrog in London

Money

- Low interest loans
- Commercial lenders
- Grants & Government incentives
- Community Share Offers
- Green Deal

Any questions, please ask.
