

# Haringey COP26 Climate Rally

## 11am Saturday 6 November

Crescent Gardens High Road Wood Green N22 5NJ (opp Haringey Civic Centre)  
on Global Day of Action for Climate Justice

**We need a future that works for ALL of us! ACT NOW!**

- As wildfires, floods and extreme heatwaves hit Germany, Greece, Italy and Turkey – and even Haringey, we see at close hand how the global climate emergency is growing more acute.
- People in the Global South – who've done least to cause climate breakdown – endure the worst of its effects.

Speakers include:

- David Lammy MP for Tottenham, Catherine West MP for Hornsey
- Councillor Mike Hakata, Cabinet Member for Climate Emergency
- A school climate striker; Paul Renny, Haringey Unison
- A speaker from the Global South on the impacts of climate change now

The event will end at around 12 noon. Those who wish can then travel into central London and join a larger demonstration from Bank of England to Trafalgar Square moving off at 1pm.

Supported by: COP26 coalition; Extinction Rebellion; Friends of the Earth (Tottenham & Wood Green, Muswell Hill & Hornsey groups); Haringey Climate Forum; Haringey Clean Air, Haringey Cyclists; Haringey Labour Climate Action; Muswell Hill Sustainability Group; Sustainable Haringey.
